About This Guide

Generic school shoe requirements based on uniform guidelines.

School Uniform Guidelines

Students should wear flat black shoes or plain black trainers without logos. If a child cannot tie laces, Velcro or buckle fastenings are permitted. During hot weather, sandals may be worn provided they are flat, practical, have a heel strap, and feature a buckle or Velcro fastening in black, white, or metallic colours.

PE / Sports Shoes Guidelines

For outdoor sports and games, children should wear black plimsolls or trainers.

Shoe Fitting Guidelines

Children's feet grow quickly - they may need new shoes every 3-4 months depending on age and activity level.

Check for Proper Fit:

- Allow approximately half an inch (1.3 cm) of space between the longest toe and the front of the shoe
- Ensure the width is comfortable with no pinching or bulging
- The heel should fit snugly without slipping
- Shoes should be comfortable immediately - no "breaking in" period needed

When to Replace:

- When there's less than half an inch of growing room
- If the shoe shows signs of wear or damage
- If your child complains of discomfort or pain
- Check regularly for redness or blisters on your child's feet

Measuring Tips:

- Measure both feet while standing
- Measure at the end of the day when feet are at their largest
- Have your child wear the type of socks they'll wear with the shoes
- Use the measuring gauge on page 2 only if you can't get the shoes fitted professionally
- Shoes from different brands may have different sizing, so it's important to try them on
