About This Guide

Generic school shoe requirements based on uniform guidelines.

School Uniform Guidelines

Sensible black footwear should be worn, including black laces if required. During very cold weather, sensible dark-coloured boots such as black or grey may be worn, though heavy snow boots must be changed once inside the school.

PE / Sports Shoes Guidelines

Black or white trainers are needed for outdoor P.E., but children wearing white trainers must have separate black footwear for their school uniform. Black plimsolls are also useful for indoor games and dance.

Shoe Fitting Guidelines

Children's feet grow quickly - they may need new shoes every 3-4 months depending on age and activity level.

Check for Proper Fit:

- Allow approximately half an inch (1.3 cm) of space between the longest toe and the front of the shoe
- Ensure the width is comfortable with no pinching or bulging
- The heel should fit snugly without slipping
- Shoes should be comfortable immediately - no "breaking in" period needed

When to Replace:

- When there's less than half an inch of growing room
- If the shoe shows signs of wear or damage
- If your child complains of discomfort or pain
- Check regularly for redness or blisters on your child's feet

Measuring Tips:

- Measure both feet while standing
- Measure at the end of the day when feet are at their largest
- Have your child wear the type of socks they'll wear with the shoes
- Use the measuring gauge on page 2 only if you can't get the shoes fitted professionally
- Shoes from different brands may have different sizing, so it's important to try them on
