About This Guide

Official school shoe requirements based on uniform guidelines.

School Uniform Guidelines

Pupils must wear black school shoes that have closed toes and are suitable and safe for running. Shoes with Velcro fastening are recommended for Reception and Nursery pupils, and laced shoes are not permitted for them. Shoes with open toes, high heels, or any type of footwear that rises above the ankle are not allowed.

PE / Sports Shoes Guidelines

Pupils must wear black plimsolls during PE lessons. The plimsolls should be secured with Velcro fastening to provide a safer fit.

Shoe Fitting Guidelines

Children's feet grow quickly - they may need new shoes every 3-4 months depending on age and activity level.

Check for Proper Fit:

- Allow approximately half an inch (1.3 cm) of space between the longest toe and the front of the shoe
- Ensure the width is comfortable with no pinching or bulging
- The heel should fit snugly without slipping
- Shoes should be comfortable immediately - no "breaking in" period needed

When to Replace:

- When there's less than half an inch of growing room
- If the shoe shows signs of wear or damage
- If your child complains of discomfort or pain
- Check regularly for redness or blisters on your child's feet

Measuring Tips:

- Measure both feet while standing
- Measure at the end of the day when feet are at their largest
- Have your child wear the type of socks they'll wear with the shoes
- Use the measuring gauge on page 2 only if you can't get the shoes fitted professionally
- Shoes from different brands may have different sizing, so it's important to try them on
