About This Guide

Generic school shoe requirements based on uniform guidelines.

School Uniform Guidelines

The text states that the school does not have a uniform, but asks children to wear appropriate clothing. This includes no cropped tops or tops with thin straps, no t-shirts with political logos, sensible footwear - no flipflops and only sandals with ankle support and covered toes.

PE / Sports Shoes Guidelines

Students should wear a red polo top (such as shown above and which can be bought cheaply from supermarkets) and black or dark blue shorts/track suit bottoms with trainers. Studs/blades are not allowed in school.

Shoe Fitting Guidelines

Children's feet grow quickly - they may need new shoes every 3-4 months depending on age and activity level.

Check for Proper Fit:

- Allow approximately half an inch (1.3 cm) of space between the longest toe and the front of the shoe
- Ensure the width is comfortable with no pinching or bulging
- The heel should fit snugly without slipping
- Shoes should be comfortable immediately - no "breaking in" period needed

When to Replace:

- When there's less than half an inch of growing room
- If the shoe shows signs of wear or damage
- If your child complains of discomfort or pain
- Check regularly for redness or blisters on your child's feet

Measuring Tips:

- Measure both feet while standing
- Measure at the end of the day when feet are at their largest
- Have your child wear the type of socks they'll wear with the shoes
- Use the measuring gauge on page 2 only if you can't get the shoes fitted professionally
- Shoes from different brands may have different sizing, so it's important to try them on
