About This Guide

Generic school shoe requirements based on uniform guidelines.

School Uniform Guidelines

Regular school shoes must be brown, specifically dark tan or chestnut, and made of smooth polishable leather with black or dark brown rubber soles. They should fasten using laces, a buckle, or Velcro for younger children, but styles such as suede, ankle boots, loafers, and trainers are not permitted.

PE / Sports Shoes Guidelines

Small, Lower, and Middle School students must wear simple slip-on black or white plimsolls for gym. Students in Middle School and above should wear white trainers, while Upper School students require white tennis shoes with non-marking soles.

Shoe Fitting Guidelines

Children's feet grow quickly - they may need new shoes every 3-4 months depending on age and activity level.

Check for Proper Fit:

- Allow approximately half an inch (1.3 cm) of space between the longest toe and the front of the shoe
- Ensure the width is comfortable with no pinching or bulging
- The heel should fit snugly without slipping
- Shoes should be comfortable immediately - no "breaking in" period needed

When to Replace:

- When there's less than half an inch of growing room
- If the shoe shows signs of wear or damage
- If your child complains of discomfort or pain
- Check regularly for redness or blisters on your child's feet

Measuring Tips:

- Measure both feet while standing
- Measure at the end of the day when feet are at their largest
- Have your child wear the type of socks they'll wear with the shoes
- Use the measuring gauge on page 2 only if you can't get the shoes fitted professionally
- Shoes from different brands may have different sizing, so it's important to try them on

Not Permitted

- Boots
- Trainers
