About This Guide

Generic school shoe requirements based on uniform guidelines.

School Uniform Guidelines

Pupils must wear black school shoes until the summer months. When it is wet, they may wear Wellington boots, but they must also bring a suitable indoor shoe for use inside the school. The policy does not specify any other shoe colours or styles that are required, nor does it explicitly forbid other types of shoes; however, all footwear must be appropriate for school use and comply with the general expectation that shoes are clean, in good condition and correctly labelled with the child’s name.

PE / Sports Shoes Guidelines

Pupils must wear trainers or black plimsolls when wearing the PE kit, which includes blue or grey jogging bottoms or shorts and a white T?shirt. No other footwear is required for PE, sports, games or swimming lessons.

Shoe Fitting Guidelines

Children's feet grow quickly - they may need new shoes every 3-4 months depending on age and activity level.

Check for Proper Fit:

- Allow approximately half an inch (1.3 cm) of space between the longest toe and the front of the shoe
- Ensure the width is comfortable with no pinching or bulging
- The heel should fit snugly without slipping
- Shoes should be comfortable immediately - no "breaking in" period needed

When to Replace:

- When there's less than half an inch of growing room
- If the shoe shows signs of wear or damage
- If your child complains of discomfort or pain
- Check regularly for redness or blisters on your child's feet

Measuring Tips:

- Measure both feet while standing
- Measure at the end of the day when feet are at their largest
- Have your child wear the type of socks they'll wear with the shoes
- Use the measuring gauge on page 2 only if you can't get the shoes fitted professionally
- Shoes from different brands may have different sizing, so it's important to try them on
