About This Guide

Generic school shoe requirements based on uniform guidelines.

School Uniform Guidelines

Black school shoes with sensible heels must be worn, and trainers are not permitted. Although boots may be worn when travelling to and from school during the winter, children must change into their school shoes for lessons.

PE / Sports Shoes Guidelines

Trainers must be worn for outdoor PE as plimsolls do not provide enough grip. For gym, dance, and gymnastics, trainers or plimsolls may be worn, although these lessons take place barefoot. Reception pupils are not required to have trainers for outdoor PE.

Shoe Fitting Guidelines

Children's feet grow quickly - they may need new shoes every 3-4 months depending on age and activity level.

Check for Proper Fit:

- Allow approximately half an inch (1.3 cm) of space between the longest toe and the front of the shoe
- Ensure the width is comfortable with no pinching or bulging
- The heel should fit snugly without slipping
- Shoes should be comfortable immediately - no "breaking in" period needed

When to Replace:

- When there's less than half an inch of growing room
- If the shoe shows signs of wear or damage
- If your child complains of discomfort or pain
- Check regularly for redness or blisters on your child's feet

Measuring Tips:

- Measure both feet while standing
- Measure at the end of the day when feet are at their largest
- Have your child wear the type of socks they'll wear with the shoes
- Use the measuring gauge on page 2 only if you can't get the shoes fitted professionally
- Shoes from different brands may have different sizing, so it's important to try them on
